## Director's Ramblings

Hi everyone, our last meeting at the Masonic Lodge is history! The shed is empty, the tables and chairs are stowed, the lights are out and the door is locked. I'm a little sentimental about leaving the Lodge as were some of our other members. We were there for over 20 years and I have fond memories of events that were held there and of some of our past members that are no longer with us. I guess in one sense we're kind of homeless. Not really though, as we have most of our meeting locations planned, spread out over the Chicagoland area in an effort to attract more members to join us. I hope you will closely follow the instructions in this newsletter to know where our future meetings will be held as some of them will be held in the private room at Casey's Restaurant in Lombard and some will be held in conjunction with car shows or other events. Watch here for updates and location information. In an interview with the oldest man in America he was asked what he thought contributed to his longevity and one of his responses was that you need to "embrace change". Well..... here we go!

At the last meeting we held our "Show and Tell" tool event which turned out well. Thanks to Jim Bloomstrand, Jim August and Bob Flint for bringing some cool tools to stump us as to what they were. A big thanks to Tony Melone for solving a year's long question about two tools I brought that I could never identify - a tile grout removal tool by "Goldblatt" and a bucket heater! Thanks to all that participated!

On Saturday the 13<sup>th</sup>, I attended the GS Club meeting at their annual "Dyno Day" event in Bensenville along with some of our other members, Melanie Mauser, Loyd Bonecutter, Bob Rogacki, and Bill Grupp. Some fast cars setting some big HP numbers on the dynamometer! It was something different!

Keep in mind that our May meeting will be held in conjunction with our annual "Dust-Off"/Car Show at Castle Buick, 7400 W. Cermak Road in North Riverside. See the flyer in this newsletter. I'll try to gather everyone for the meeting about 1pm or after lunch (which is provided by the dealer). Come out and display your Buick whether it be a show car or a work-in-progress, it doesn't matter! We enjoy seeing whatever it is that you have that you are passionate

about! And of course with the Olds and Pontiac clubs coming we want to outnumber them with our Buicks!!

A few other upcoming events of note that are also listed on our "Calendar of Events" (a HUGE THANKS to Jim Bloomstrand for doing the Calendar for me!!);

The Steering/Regional Tour Meeting will be at Casey's on Monday May 20<sup>th</sup> at 7pm. Some of us will be meeting for dinner about 6 or you can come for coffee and pie/ dessert later. The meeting is open to ALL members!! The people involved with the Regional Tour should attend so we can finalize our plans!!

The Lambs Farm Show on June 2<sup>nd</sup> is a great charity show and a unique place!

Our June meeting will be June 7<sup>th</sup> at Casey's restaurant at 7pm (a new start time!!) some of us will be there for dinner about 5:30 (Dutch Treat) or come later for coffee, pie, beer, etc.

Our Chapter Picnic will be at Blackberry Farm in Aurora on Sunday June 23<sup>rd</sup>. See the enclosed flyer. The Chapter will provide a picnic lunch for a member and one guest. Additional meals can be purchased but we need to know a final count by June 13<sup>th</sup>! We also need a \$5 deposit required for each person so we can order the food. There will not be ANY EXCEPTIONS!! No phone orders, no walk ins! You are more than welcome to come and display your car and attend the car show but won't be able to partake in the food unless you are registered. This has to be a prepaid event!! Please send your money to Rick Schick, 1707 Princess Circle, Naperville IL 60564-7130.

We will have our July Meeting at the July 4<sup>th</sup> car show coordinated by the GS Club at Sabatino Park in Sleepy Hollow IL. It is between Rt. 31 and Randall Rd., and just north of I-90. More information and a flyer will follow soon.

Check out the other activities and events on our Calendar of Events.....

*Steve*

*Send in your Regional Tour registration ASAP!!!*

# Richard Haas Murals

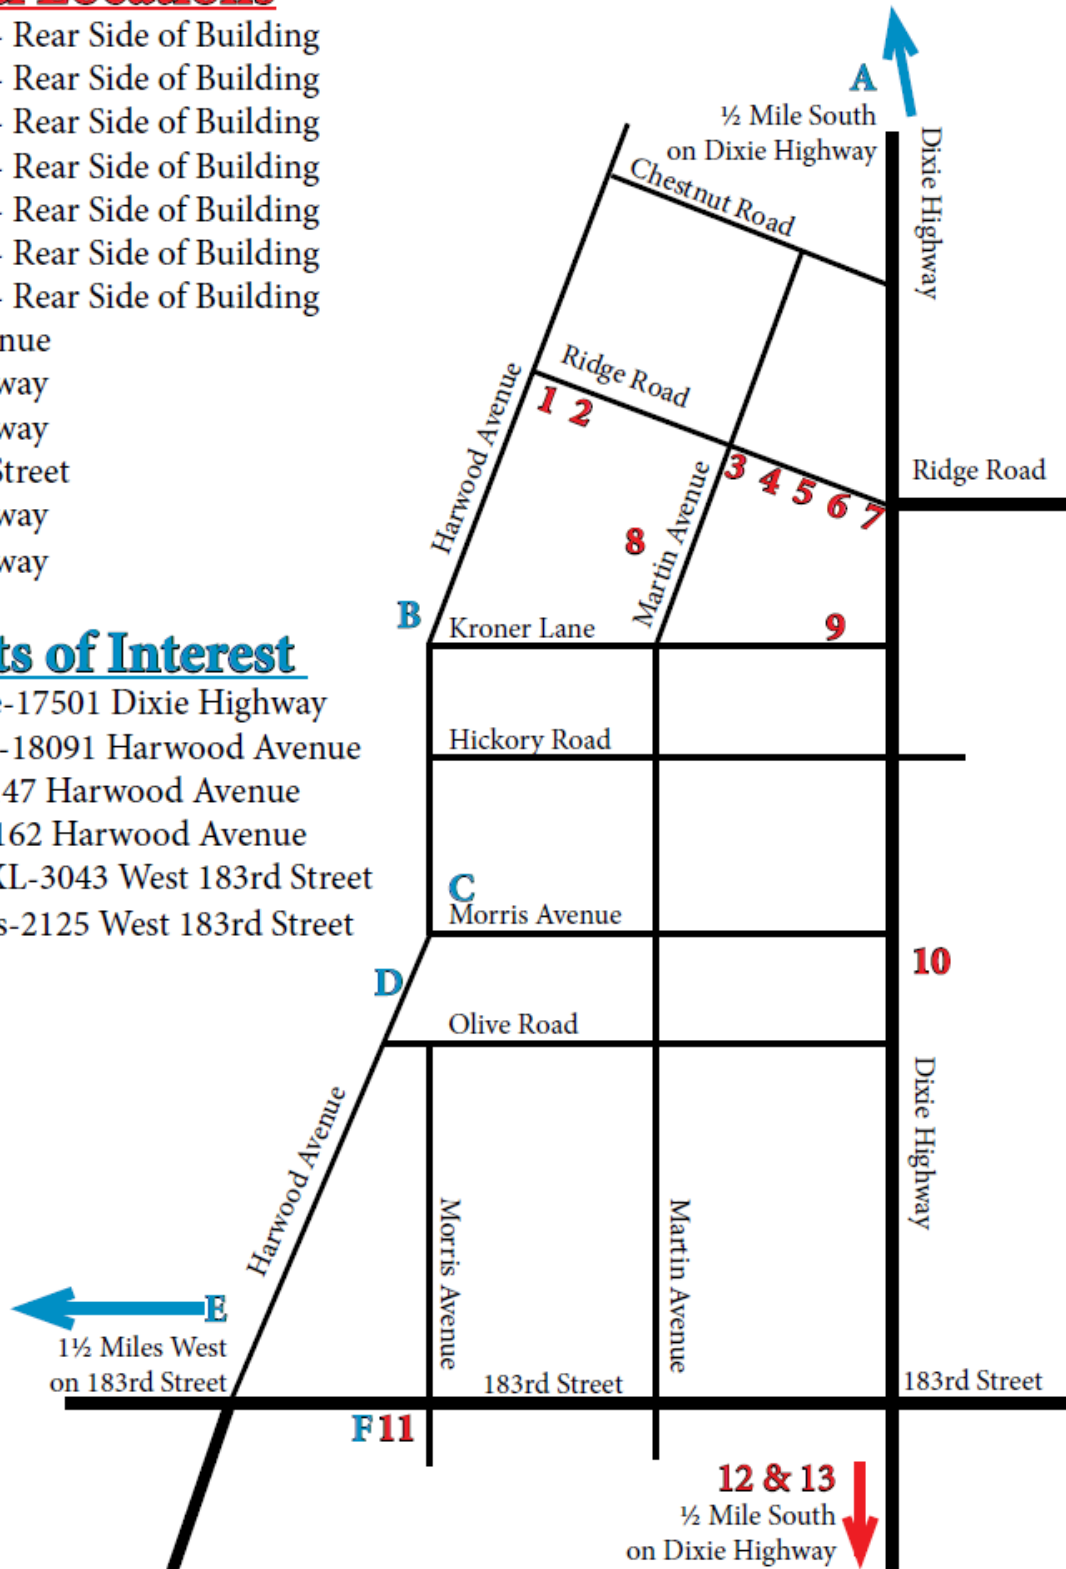

Downtown Homewood, Illinois

*Mural at 18064 Martin Avenue*

1893

In addition to a unique and quaint downtown area, Homewood now boasts the largest collection of Richard Haas murals anywhere in the world. Haas, a world-renowned painter specializing in large, illusion murals, was first invited to Homewood in the early 1980s.

## About Richard Haas

Richard Haas was born in 1936 in Wisconsin. He graduated from the University of Wisconsin-Milwaukee in 1959 with a Bachelor in Art and Art Education degree and from University of Minnesota in 1964 with a Master of Fine Arts. Haas is ranked by Artists Trade Union of Russia amongst the world-

best artists of the last four centuries.

“Homewood has a special place in my 35 years of doing public work,” said Haas. “This project has allowed me to expand my work in many ways. In Homewood, I was given the freedom to design and execute a new series of works that tells an even larger story, not only about Homewood’s history but about the region in general. Homewood now has the largest concentration of my works in one area and I hope people will discover and enjoy these works for a long time to come.”

## About the Trompe l'œil-style of Painting

Trompe-l'œil, meaning “deceive the eye” in French, is a hyper-realistic art technique that creates the optical illusion that the depicted objects exist in three dimensions. Although the style has its origin in the Baroque period (1590-1725), Trompe l'œil dates back to the of Ancient Greek and Roman times.

**How to pronounce  
Trompe l'œil:**

***Trum Play***

For more information on the tour see the YouTube video at <http://www.youtube.com/watch?v=OS6aBi0sYnY> and see more information about the Haas Murals at <http://www.homesweethomewood.com/>. The tour to the Haas murals will leave the hotel at 9:30 on Tuesday.
