

Meeting & Technical Session
Sunday; February 13, 2011 @ 10:00 am
Casper's Electronics, Inc
1111 Rose Road (New address after January `1st)
Lake Zurich, IL 60047
P: 847.847.1544

Our second meeting for 2011 will be at Casper's Electronics in Mundelein, IL featuring John Spina, with Jimmy Hussion and we are hoping another speaker.

John Spina, owner of Casper Electronics is a member, and advertiser for Chicagoland GSCA., plus a sponsor of the Midwest Challenge. A serious Buick nut he is also an automotive wiring and electronics expert, developing systems to make our cars reliability run to their fullest potential. He has developed and manufactures many innovative tools to help the tuning of our cars and has upgrade wiring harnesses and chips to make our aging cars run much better.

Jimmy Hussion owner and miracle worker at Jimmy's Performance Transmissions will also be on hand. Jimmy always has few interesting tidbits of information on our TH 200R4s that take a real beating. His job is increasingly challenging as we make our cars faster.

There should be something for our V8 Buick owners as well as Turbo Regal owners. We are looking forward to seeing you there.

Our regular business meeting will start at 10:30 am just before the technical session. Please bring lawn chairs. Yes, collect them out of the trunk of the GS or Turbo Regal where you had them for the last car show.
