

Meeting & Technical Session
Sunday; January 24, 2010 @ 10:00 am
Casper's Electronics, Inc

To break in the new decade our first Meeting for 2010 will be at Casper's Electronics in Mundelein, IL featuring John Spina, and Jimmy Hussion.

John Spina, owner of Casper Electronics is a member, and advertiser for Chicagoland GSCA., plus a sponsor of the Midwest Challenge. A serious Buick nut he is also an automotive wiring and electronics expert, developing systems to make our cars reliability run to their fullest potential. He has developed and manufactures many innovative tools to help the tuning of our cars and has upgrade wiring harnesses and chips to make our aging cars run much better.

Jimmy Hussion owner and miracle worker at Jimmy's Performance Transmissions will also be on hand. Jimmy always has few interesting tidbits of information on our TH 200R4s that take a real beating. His job is increasingly challenging as we make our cars faster. Be sure to ask about the improved third gear shift he has in store for us.

There should be something for our V8 Buick owners as well as Turbo Regal owners. We are looking forward to seeing you there.

Our regular business meeting will start at 10:30 am just before the technical session. Please bring lawn chairs. Yes, collect them out of the trunk of the GS or Turbo Regal where you had them for the last car show.

Casper's Electronics, Inc.
133 Wilhelm Road
Mundelein, IL 60060
John Spina
(847) 247-0484

Jimmy's Transmissions
888 N. Tower Road (now on the north side of the same building)
Mundelein, IL 60060
Jimmy Hussion
(847) 949-9230

Directions to Casper's Shop

- ⇒ I-94 (north of I-294 and I-94 junction) to Hwy. 60 (Town Line Rd.).
- ⇒ West on Hwy 60 about 5 miles past Hawthorne Shopping Center, to Butterfield Road.
- ⇒ Landmark: Just before Butterfield road on the south side of Town Line Road is an old round silo next to a Mobile station. (Still there checked this summer)
- ⇒ South (Left) on Butterfield. (The other direction is the way to Jimmy's)
- ⇒ Once you have crossed the railroad tracks turn west (right) on Armor
- ⇒ Turn left (south) on Baskin
- ⇒ Casper's building's drive way is at the end of Baskin Street. His shop is near the northwest corner of the building.

Be sure to thank Jimmy and John and his crew for sharing their day with us.

If you want to sit bring *lawn or folding chairs* to the Meeting and Technical Session.
