

Meeting, Technical Session and Chili Cookoff

Sunday; March 13, 2011; @ 10:00 am

Darien Park District
7301 Fairview
Darien, IL 60561

Our food frenzy March meeting has moved to the Darien Park District and will feature Chili of course and Mike Phillips who by the way loves Chili. This is our favorite event for many of us who are definitely stir crazy by this time. It is still a few weeks early to get our Performance Buicks out for the season. The various entries and variations of chili offered is excellent. We will be presenting gift certificates to the winners again and of course pass the winner chef hat along to the 1st place winner.

Mike Phillips owner of Automotive Machine & Performance in Owensboro, KY will be on hand to cover all aspects of building high performance Buick engines. Mike supports our chapter by coming up here every spring to share his extensive knowledge of the machining, head porting and assembly of Buick engines. If you are planning to freshen up your engine, need help selecting a camshaft or contemplating some headwork you should not miss this session. He also has a number of parts he can provide.

If you have a favorite chili you would like to share with the group please be sure to bring some to sample. You might be surprised how good your chili stacks up to the competition. Many of us like it very hot and others like theirs milder, just like our engines.

We are looking forward to the presentation and of course the chili. Our regular business meeting will start at 10:00 am before the feeding frenzy and before the technical session.
