

Meeting, Technical Session and Chili Cookoff

Sunday; March 11, 2012; @ 10:00 am

Darien Park District
7301 Fairview
Darien, IL 60561

Our Chili Cookoff moved to the Darien Park District last year which proved to be a great place to host this event. If you are like me by March you are definitely stir crazy. It is still a few weeks early to get our Performance Buicks out and you may be in the middle of an upgrade. Time to show off your chilli. The various entries and variations of chili offered prove excellent to the taste buds. We will be presenting gift certificates to the winners again and of course pass the winner chef hat along to the 1st place winner.

Mike Phillips owner of Automotive Machine & Performance in Owensboro, KY will be on hand to cover all aspects of building high performance Buick engines. Mike supports our chapter by coming up here every spring to share his extensive knowledge of the machining, head porting and assembly of Buick engines. If you are planning to freshen up your engine, need help selecting a camshaft or contemplating some headwork you should not miss this session. He also has a number of parts he can provide.

If you have a favorite chili you would like to share with the group please be sure to bring some to sample. You might be surprised how good your chili stacks up to the competition. Many of us like it very hot and others like theirs milder, just like our engines.

We are looking forward to the presentation and of course the chili. Our regular business meeting will start at 10:00 am before the feeding frenzy and before the technical session.

Darien Park District
7301 Fairview
Darien, IL 60561
